2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The main object of our institution is to seek for advanced and excel quality education by identifying the respective learning levels of the students. As most of the students admitted to the college come from rural area and from the Marathi medium, they initially open up and interact with the teachers. As the classes start, the teachers during their lectures identify the slow learners and advanced learners. Slow learners are the learners whose learning pace is slower than the pace of his or her age. Slow learners tend to learn slower. They may struggle to stay motivated while learning and to communicate with others. The learning of the advanced learners exceeds that of their peers in one or more content areas. The slow learner and advanced learners are identified on the basis of 1) the performance in group discussion, question answer session activity and the quiz on the general knowledge 2) the marks scored by the student at his entry level examination.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Most of the area of this region is rural and the girls from the farmers, workers' families. Hence, it was necessary to focus more on the empowerment of women and to increase their awareness regarding gender sensitivity. However, we have also done our best to sensitize people towards the gender-based discrimination. A grievance Redressal Box is there for the students. There is an anti-ragging cell and sexual harassment cell in the college to deal with the problem. Our college has Women's redressal cell which works for gender sensitization as well as to provide safety, security and counseling to girl students. The Cell regularly conducted programmes, activities and courses for girl students as well as other women from the society to create awareness about female feticide, gender based discrimination, self-employment, social responsibility and safety. The college has provided separate staircase for the girl students. The college staff and discipline committee have assigned campus supervision to maintain discipline in the campus.

Dustbins are placed at the proper places to collect waste. The College displayed slogans to use dustbin and to maintain cleanliness at different and proper places in the premises for environmental awareness. There is a written communication with Jafrabad Nagar Panchayat for collection and waste management. A wide range of waste arises in chemical laboratories of different science departments especially the chemistry department that is solid materials such as broken glass, packing, paper, samples, and equipment are disposed of in a tank separately made for this purpose only. Dry waste mainly leaf litter is allowed to decompose systematically over a period. Partial waste recycling system is maintained on the campus by utilizing the sewage water to water the nearby trees. The boards with meaningful slogans are displayed to bring environmental consciousness among the students as well as stakeholders. Old newspapers, old answer papers and raw paper material (Raddi) is sold out.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The Indian constitution recognizes all Indians as equal before the law and states that no person can be discriminated against because of their religion, sex, caste or whether they are rich or poor. All Indians have the equal right to vote during elections and this power over the ballot box has been used by people to elect their representatives. But this feeling of equality does not extend to most people's lives. It is essential to aware people about the equality and justice for all.
